

# TN Interfaith Power and Light Partnership Form

**TIPL Mission:** Tennessee Interfaith Power & Light spiritually responds to the challenges of the climate crisis through upholding the sacredness of all life, protecting vulnerable communities, and caring for the Earth. We manifest our spiritual values by reducing our carbon footprint within our daily lives, releasing the spiritual power of our faith communities, and advocating for transformative climate protection and justice policies.

**Partners pledge to support the mission of TIPL and to**

- Stand with TIPL in support of effective policies that care for the earth and all.
- Identify a contact to help spread the word of TIPL activities through our regular communications.

**In return, TIPL will**

- Connect faith group partners with resources to learn more about sustainable living and justice practices,
- Offer interfaith opportunities to witness support for effective Earth / life protection policies.

**Please provide requested information and indicate the level at which your faith community will partner with TIPL.**

**Check type of partnership your faith community will have with TIPL.**

- Committee/Group within your faith group / community.**  
 **Faith Group** - entire faith group joins TIPL.
